# CHOOSE YOUR EXPERIENCE

More than just a photo booth, we create an experience that your guests will remember long after your celebration is over. Which booth should you choose? Our "Social Booth" is most popular for events where no prints are required. The "Unlimited Booth" is the most popular choice where prints are required. Our "Unlimited X 2" booth offer both options... One (1) booth for social sharing & a second booth for prints. Whatever your choice is, our **EPIC** photo booths are the perfect addition to your wedding celebration!
